Renaissance Phoenix Glendale Hotel & Spa

Planning to attend the Church & Technology Summit 2022?

This year we're adding an expo experience to CTS 2022. Checkout the Church & Technology exhibitor prospectus here.

6 key notes & 40+ speakers!

Why attend?

Church & Technology Summit is a 3 ½ day multi track conference bringing together Industry Experts, Technology Enthusiasts alongside Lead & Executive Pastors and Ministry IT & Marketing leaders for a time of equipping and preparing the body of Christ for 21st Century ministry. Going beyond impactful keynotes, the conference is designed to provide hands-on experiences, labs and workshops that will empower attendees with tools, techniques and resources for effective ministry in a post-Covid era.

Who is attending?

Senior Pastors & Executive Pastors – Executive spiritual leadership of the church seeking ways to become more innovative while maintaining the integrity of the message of their ministries

Social Media & Digital Marketing Teams – Individuals responsible for handling all aspects of social media, digital marketing, graphic design, website management and app management.

IT/Cybersecurity Teams – These individuals are responsible for the technology infrastructure, networking, cybersecurity and business applications

Technology Infrastructure Teams – Including those responsible for sound, lightening, live streaming and production equipment
